THE UAW PUBLIC RELATIONS DEPARTMENT COLLECTION

Clippings, 1940-1972

39 linear feet

Accession Number 125 C

L. C. Number MS

This group of clippings was received from the UAW Public Relations Department in July of 1978 and was opened for research in February of 1986.

These clippings are of news stories and editorials and deal for the most part with labor-related subjects, but there are also some relating to public figures, political events, and happenings in Detroit and elsewhere.

Important subjects covered in this collection are:

Communism	Steel Industry
Detroit Urban Affairs	Taft-Hartley Act
Housing	Truman, Harry S.
Int'l Longshoremen's Assn.	Un-American Activities Committee
Michigan Labor	Unemployment
Politics	United Mine Workers
Reuther, Walter P.	

Contents

39 Storage boxes

Series I, Clippings, Chronological Files, 1960-1971, Boxes 1-4:
Clippings of stories and editorials arranged chronologically

Series II, Clippings, Subject Categories, 1940-1972, Boxes 5-39:
Clippings on a wide variety of topics related to UAW activities or relating to their political interest or social programs. A group of files of clippings about the International Longshoremen's Association will be found at the end of this series.
